“Teen Read Week”—Have Teens Read a Book, or Read a YA Book Yourself!

by Luren Dickinson, Director

According to a recent article in *Atlantic* magazine, 55% of Young Adult books are read by adults. Why? Some say it started with Harry Potter, but it is also the appeal of “coming of age” stories and the escapism of the various genres, such as romance, fantasy, and sci-fi.

So even if you are an adult, you should feel no shame about picking up a YA book to read during Teen Read Week, or anytime in October!

New Member Joins Beaumont Library Board

Laura Tetzlaff joined the Beaumont Library Board recently. She was appointed by unanimous vote on August 30 by the current Trustees. She replaces Sabina Brady who relocated with her family as part of a job opportunity for her husband and to be closer to relatives.

A native of Ontario, California where she graduated from Chaffee High School, she has a BA in Business Administration from CSU Fullerton and expects to receive her MA in Management from the University of Redlands in 2020.

Her career in catering and conference coordination has spanned 20 years and she currently serves as Associate Director of Operations for Event Services at the University of Redlands.

A mother of four, she and her family moved to Beaumont in 2014 to "gain a sense of community" and she looks forward to contributing her "time and skills" and helping "advocate for the Beaumont Library to reach its current objectives."
